- D. Systems. Client shall ensure that its network and systems comply with the relevant specifications provided by Company and shall provide Company with information as may be reasonably required by Company in order to render access to the Platform. Client is responsible for obtaining, maintaining, and supporting all internet access, computer hardware, and other equipment and services needed for it to access and/or use the Platform, other than as necessary for Company to host and provide the Platform. The Client will determine the access controls for the Subscribers and will be responsible for its activity on or through the Platform, whether or not authorized, including compliance with this Agreement. Client agrees to prevent unauthorized access to, and/or use of the Platform and notify Company immediately of any unauthorized use of Client's account and/or any other known breach of security of or to the Platform in connection with Client's access to or use thereof. Company will, to the extent permitted by law, and to the extent that Company reasonably deems it necessary, immediately notify Client after becoming aware of any breach of security relating to the Platform.
- E. Maintenance; Security. The Company will use commercially reasonable efforts to provide standard maintenance for the Platform during the term of this Agreement, which will include enhancements, "bug fixes" and other modifications as

may be identified by the Company. Company shall bear no obligation to run, provide or support legacy versions of the Platform. The Company may make additional modifications or releases to the Platform and the underlying source code as the Company may determine in its sole and absolute discretion. Notwithstanding the foregoing, to the extent any such modifications or releases are reasonably expected to reduce, inhibit, impair, or otherwise adversely affect the functionality or performance of the Platform, the Company will use commercially reasonable efforts to notify Client of such changes with as much notice as is reasonably practicable. The Company will, at all times, implement and maintain reasonable technical, administrative, physical, and organizational information security measures.

- F. Third Party Service Providers. The Platform and Platform Services may contain code, content, features, functionality, components and certain products and services (collectively the “Features”) that are provided by third-parties (“Third Party Service Providers”). In addition to this Agreement, any such third-party Features may be governed by additional terms and conditions provided by suppliers of said third-party Features which shall be set forth herein this Agreement, an applicable Order, Addendum, or as provided to you prior to the time of such use. Your execution of an Order or use or continued use of such Features after review of such additional terms shall constitute acceptance of such terms. Any Features shall be provided “AS IS” without warranty of any kind by Company. Company assumes no responsibility for, and specifically disclaims any liability or obligation with respect to, any Features as provided by Third Party Service Providers.
- G. Suspension. Client is responsible for maintaining the security of its account and shall use commercially reasonable efforts to govern and control activities that occur with respect to its use of the Platform and by any Subscribers. Notwithstanding anything herein to the contrary, Company reserves the right, without liability to the Client, to disable or suspend the Client’s access to the Platform in the event (i) of any material breach of this Agreement; (ii) Client or its Subscribers use of the Platform (a) disrupts or poses a security risk to the Platform or any Company customer, (b) is reasonably believed it may harm Company’s systems, or the systems of any provider of any third-party services, or (c) may subject Company or any third-party to liability; (iii) Client or its Subscribers are using the Platform for fraudulent or illegal activities; (iv) Client’s use of the Platform materially violates any Applicable Laws, specifically including without limitation, the Telephone Consumer Protection Act and Fair Credit Reporting Act; or (v) Company’s continued provision of any of the Platform Services is prohibited by Applicable Laws or regulation. Company shall provide Client with reasonable notice and opportunity to cure any of the foregoing events, unless in Company’s reasonable discretion, Company determines that such notice and cure period would cause imminent harm to the Company, the Platform, or any third party.
- H. Array+ Additional Terms and Conditions: Payment Processing.
- i. The Array+ Product (“Array+”) is structured such that Subscribers shall receive access to a free version of Array+ in Client’s digital banking environment. Array+ shall consist of Company providing the free version of the Platform Services to Subscribers as described in the Array+ Product Terms of Use found on the Array Legal Center [HERE](#), including any exhibits or attachments thereto. The free version of the Array+ Platform Services may be updated from time to time by Company in its sole discretion.
 - ii. Client’s Subscribers may also be offered the opportunity to upgrade from free Platform Services as identified in an applicable Order to a paid, premium package of the Platform Services. Client and Company agree that each Subscriber electing to purchase an upgraded package of the Platform Services shall be required to agree to certain terms and conditions directly with Array upon upgrading from the free version of the Platform Services. Access by Client’s Subscribers to the upgraded package of the Platform Services is expressly conditioned upon each respective Subscriber’s acceptance of the applicable terms which can be found [HERE](#), compliance therewith, and successful monthly payment.
 - iii. Client may (i) utilize Company as its merchant processing service provider in accordance with the Merchant Processing Terms found on the Array Legal Center [HERE](#), including any exhibits or other attachments thereto, or (ii) arrange for the processing of monthly subscription payments by Subscribers through Client’s controlled payment processing environment, subject to the applicable terms provided herein.
- I. Beta Offering. If Client receives access to the Platform (or certain features of the Platform) as an alpha, beta, or early access offering (“Beta”), unless otherwise specified in an Order, use is permitted for Client’s internal evaluation

purposes only during the term specified in the Order (or if not specified, ninety (90) days). Betas are optional and either party may terminate Betas at any time for any reason. Betas may be inoperable, incomplete or include features that Company may never release, and their features and performance information, including the existence of such Betas, are Company's Confidential Information subject to all the applicable protections and restrictions provided herein. Notwithstanding anything to the contrary herein, Company provides no warranty, indemnity, uptime guarantee or support for Betas and its liability for Betas will not exceed US\$100.

i. Subscriber Accounts. To the extent an Order specifies that Client may offer Betas to Subscribers, Client assumes all liability related to such Beta offering. For the avoidance of doubt, Client agrees to maintain compliance with Applicable Laws, including as specified in this MSA and the applicable Product Addendum related to any such Beta offering to Subscribers. Further, in addition to Client's indemnification obligations provided herein (Section 8.A.), Client agrees to indemnify, defend, and hold harmless Company, its affiliates and agents, and each of their respective members, directors, officers, and employees from and against all third-party Claims (as defined herein) related to the Betas.

J. Free and Promotional Trials. If Client receives access to the Platform, or certain features of the Platform, on a free or promotional trial basis ("Trial"), the terms of this MSA, applicable Product Addendums, and other terms referenced herein shall apply. Trials are optional and either party may terminate Trials at any time for any reason. Trial Products and Features are provided as-is and may be inoperable, incomplete or include features that Company may never release, and their features and performance information, including the existence of such Trials, are Company's Confidential Information subject to all the applicable protections and restrictions provided herein.

2. DATA AND INTEGRATED PRODUCTS.

A. Data Providers. Client understands and agrees that the Data offered through the Platform and/or used in conjunction with the Products is collected and compiled from various third party data and service provider sources (each a "Data Provider"). As such, Data may not be provided by the Company, but instead hosted and/or provided by and through such Data Providers. You may be required to agree to additional terms and conditions that apply to and govern the use of certain Data ("Applicable Data Terms" from a Data Provider) and/or Products ("Applicable Product Terms"), which shall be set forth within this Agreement, an applicable Order, or as provided to you prior to the time of such use. Your execution of an Order or use or continued use of such Data and/or Products shall constitute acceptance of such terms. Any Data or Products provided by third parties, including Data Providers shall be provided "AS IS" without warranty of any kind by Company. Company assumes no responsibility for, and specifically disclaims any liability or obligation with respect to, any third-party Data and Products. For the avoidance of doubt, any protections afforded Third Party Service Providers herein shall be applicable to Data Providers.

B. Personal Information. Company may collect, use, share, and hold personal or non-public information about Client and Subscribers, including but not limited to: name, address, telephone number, email address, social security number and/or tax identification number and payment data, Transaction data, including account numbers, purchase history, descriptions of purchases, and various transaction data related to Subscribers ("Personal Information") for the purpose of considering eligibility for the Platform Services and for the purpose of providing Client and Subscribers with the Platform Services. Company shall have the right to (i) use the Personal Information as necessary to perform the Platform Services (including distributing the Personal Information to its Third Party Service Providers and other third parties, as requested by Client and/or Subscriber and as necessary to perform the Platform Services); (ii) maintain the Personal Information as long as necessary or as required by law and used internally for record keeping, internal reporting, and support purposes; (iii) compile and disclose Personal Information in the aggregate where the Personal Information is not identifiable, including without limitation and to the extent applicable, calculating merchant averages by region or industry; and (iv) provide the Personal Information as required by Applicable Laws or court order, or to defend Company's rights in a legal dispute. Company, its subsidiaries, Third Party Service Providers, suppliers and/or their agents and/or contractors may have access to, use, and transfer such Personal Information among themselves as necessary for the purpose of the provision and management of the Platform Services. Company may further transfer Personal Information (a) with non-affiliated entities that assist Company in providing products and services that Client

or Subscriber have requested; (b) with companies that provide support services to Company; (c) with companies that provide marketing services on behalf of Company or (d) as otherwise provided by Applicable Laws.

- C. Privacy. Wherever Client collects personally identifiable information from its website users and/or Subscribers, which will be used in conjunction with the ordering of any Data through the Platform, Client agrees to clearly and conspicuously post a link to a Privacy Policy on each of its websites where it is collecting such information. Such privacy policy shall comply in all material respects with all Federal Trade Commission guidelines and any other laws, rules, and regulations with respect to personally identifiable information and online privacy and online privacy of minors, including all Applicable Laws, in each case, applicable to Client's collection and use of personally identifiable information. Client acknowledges Company will collect, retain, use and share Personal Information and Data collected from Client and Subscribers, and Company will share such Personal Information and Data with its Third Party Service Providers, in accordance with Company's then current privacy policy (currently available here: <https://array.com/legal/#privacy>). Client consents, to the collection, use, processing and transfer of Personal Information and Data, and the sharing of Personal Information and Data with Third Party Service Providers and other third-party vendors, agents, and suppliers, as described herein and pursuant to Company's Privacy Policy. Client agrees to monitor Company's Privacy Policy periodically to review any possible amendments. By using the Platform Services after modifications to Company's Privacy Policy, Client will have agreed to such amendments.
- D. Changes. Company shall have the right to modify or discontinue access to or delivery of any or all of the Data, if it believes in good faith that it cannot provide the Data without violating Applicable Laws or due to the requirements of any contract with a Data Provider. When and where possible, Company shall provide Client with reasonable notice prior to such modification or discontinuance and use reasonable efforts to provide substitute data.

3. REVENUE SHARING; FEES; PAYMENTS.

- A. Revenue Sharing. In the instance where Company collects payments from Subscribers for the upgraded premium package of the Platform Services, Company will pay Client a percentage of the Gross Revenue received by Company from Client's Subscribers in connection with the Array+ Product as set forth in an applicable Order (each payment a "Revenue Share"). "Gross Revenue" shall mean the amounts collected by Company from Client's Subscribers for the Array+ Product, less any taxes, chargebacks, refunds, and/or other applicable adjustments. Company shall pay the applicable percentage of Gross Revenue to Client on an annual basis within thirty (30) days after the last day of the applicable Term for the Array+ Product. In no event shall Client have a right to receive any consideration for the Array+ Product other than as set forth herein or an applicable Order. Payments will be made in US Dollars and only to US bank accounts as instructed by Client.
- B. Fees. In the instance where Client collects payments from Subscribers for the upgraded premium package of the Platform Services, Client will pay Company the fees, including training, deployment, consulting, and certain specified expenses, set forth in the applicable Order ("Fees"). All Fees are non-cancellable, non-refundable, and must be paid in full without any deduction, set-off, counterclaim, or withholding of any kind unless required by law. If a Client fails to pay the full amount of the charges detailed in any invoice, then the undisputed and unpaid amounts of such invoice shall accrue interest at a rate of 1.5% per month or, if less, the maximum rate permitted by law and Client shall pay all associated collection costs, including without limitation any court and attorneys' fees.
- C. Payment; Disputed Amounts. The Party collecting payment from Subscribers shall pay the other Party the applicable Revenue Share or Fee, as provided in this section 3, due hereunder via ACH. If a Party disputes any Revenue Share or Fee payment, and such dispute cannot be resolved promptly through good-faith discussions between the Parties, the Parties shall diligently proceed to resolve such disputed amount through arbitration, as set forth in Section 14, within forty-five (45) days from the date of the invoice. An amount will be considered disputed in good faith if: (i) the disputing Party delivers a written statement to the other Party at the email address provided for disputes or legal notices in an Order on or before thirty (30) days after receiving the applicable Revenue Share or Fee payment, describing in

detail the basis of the dispute and the amount of the dispute; and (ii) such written statement represents that the amount in dispute has been determined in good faith.

- D. Access. Company may, without liability to Client, disable the password, account, and/or access to all or part of the Platform if any undisputed Fees are not paid when due under this Agreement or an applicable Order; provided however, that Company shall provide Client with fifteen (15) days prior notice to cure any non-payment of undisputed Fees. In the event the amounts due remain unpaid, the Company shall not be obligated to provide access to or use of the Platform until such undisputed Fees are paid in full.
- E. Taxes. The Party collecting payment from the Subscriber shall be solely responsible for collecting all sales, use, or excise taxes, or any other similar taxes or fees assessed by any state or local authority (collectively, "Sales Taxes") due in connection with sales of the Data and Products to Subscribers and remitting, when due, to the appropriate governmental authorities, all such Sales Taxes. The Party collecting payment from the Subscriber shall indemnify, defend, and hold harmless the other Party, including its Third Party Service Providers for any and all such Sales Taxes and any damages incurred by the non-collecting Party in connection with the collecting Party's failure to properly collect or deliver to the appropriate government authorities on a timely basis all required Sales Taxes.

4. TERM AND TERMINATION.

- A. Term. This Agreement shall commence on the Effective Date and shall continue as specified in the applicable Order (the "Initial Term"). Upon conclusion of the Initial Term, unless otherwise specified in an Order, the Order shall thereafter automatically renew for additional one (1) year terms (each a "Renewal Term"), unless either Party delivers written notice at least thirty (30) days prior to the end of the Initial Term or a Renewal Term of such Party's intent to terminate this Agreement (the Initial Term and all such Renewal Terms, collectively the "Term").
- B. Termination. Either Party may terminate this Agreement immediately upon written notice to the other Party: (i) if the other Party files a petition for bankruptcy, becomes insolvent, or makes a general assignment for the benefit of its creditors, or a receiver is appointed for the other Party or its business; (ii) if the other Party breaches or fails to perform in any material respect any of its material obligations under this Agreement, which shall include Client's failure to deploy within a commercially reasonable time period once Company resources are assigned to Client deployment, and does not cure such breach or failure within seven (7) days after receipt of written notice of the breach or failure; or (iii) if a Party has a reasonable belief that continuance of the delivery, receipt or use of the Platform Services will result in an imminent violation of an Applicable Law. Notwithstanding the foregoing, in the event that a change in Applicable Laws, Data Provider requirements, results in Company no longer being able to offer the Platform or the Products in a commercially reasonable manner as determined by Company, Company shall have the right to terminate this Agreement without penalty upon thirty (30) days' notice.
- C. Obligations After Termination. Upon termination, (i) Client will stop all use of the Platform and the license granted in Section 1.B hereunder shall be terminated, and (ii) as applicable, Company will pay all outstanding undisputed Revenue Share amounts owed through the date of termination or Client will pay all outstanding undisputed Fees owed through the date of termination. The rights and obligations of the Parties under Section 14.D. (SURVIVAL) shall survive termination as provided herein.

- D. Injunctive Relief. Each Party acknowledges that breach of this provision by it may result in irreparable harm to the other Party, for which money damages could be an insufficient remedy, and therefore that the other Party may be entitled to seek injunctive relief to enforce the provisions of this Section 6.D. (CONFIDENTIALITY; NON-DISCLOSURE).

7. DISCLAIMERS AND OTHER LIMITATIONS.

- A. No Warranty. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT AND ANY APPLICABLE ORDER OR ADDENDUM, THE DATA, FEATURES, PRODUCTS, PLATFORM AND PLATFORM SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, AND THE COMPANY, INCLUDING ITS THIRD PARTY SERVICE PROVIDERS, MAKE NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE, NON- INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. REGARDLESS OF WHETHER ANY ACTION OR CLAIM IS BASED ON CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EXCEED AN AMOUNT EQUAL TO THE AMOUNT THAT COMPANY HAS RECEIVED FROM OR ON BEHALF OF CLIENT OR ITS CUSTOMERS DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE ACTION OR CLAIM. THIS LIMITATION OF LIABILITY IS AN ESSENTIAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN COMPANY AND CLIENT.

C. Not Professional Advice. THE PLATFORM SERVICES ARE NOT INTENDED TO, AND DO NOT, CONSTITUTE LEGAL, PROFESSIONAL, OR FINANCIAL ADVICE, ARE NOT INTENDED TO BE A SUBSTITUTE FOR SUCH ADVICE, AND MAY NOT BE USED FOR SUCH PURPOSES. 8. INDEMNIFICATION.

A. Client Indemnification. CLIENT SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS COMPANY, ITS THIRD PARTY SERVICE PROVIDERS, AFFILIATES, AND AGENTS, AND THEIR RESPECTIVE MEMBERS, DIRECTORS, OFFICERS AND EMPLOYEES, FROM AND AGAINST ALL THIRD PARTY CLAIMS, LOSSES, DAMAGES, COSTS (INCLUDING REASONABLE ATTORNEY'S FEES, COURT COSTS, AND COSTS ASSOCIATED WITH COMPANY RESPONDING TO A SUBPOENA), SUITS, JUDGMENTS, REGULATORY INQUIRIES, GOVERNMENT ORDER, EXPENSES AND DEMANDS (COLLECTIVELY, "CLAIMS") TO THE EXTENT ARISING OUT OF, FROM, OR RELATED TO (I) THE BREACH OR ALLEGED BREACH OF ANY REPRESENTATION, WARRANTY, COVENANT OR AGREEMENT HEREIN, (II) THE USE OF OR PROVISION OF THE PLATFORM, DATA OR PRODUCTS OTHER THAN IN ACCORDANCE WITH THIS AGREEMENT OR IN VIOLATION OF APPLICABLE LAW, (III) ANY NEGLIGENT ACT, OMISSION, FRAUD, OR WILLFUL MISCONDUCT IN CONNECTION WITH THE PERFORMANCE OR NON-PERFORMANCE OF ANY OBLIGATION UNDER THIS AGREEMENT, (IV) THE RELIABILITY, ACCURACY, OR LEGITIMACY OF INFORMATION CLIENT PROVIDES COMPANY UNDER THE TERMS OF THIS AGREEMENT, (V) ANY USE OF THE PLATFORM OR PLATFORM SERVICES THAT INFRINGES UPON ANY PATENT, COPYRIGHT, OR TRADE SECRET OF A THIRD PARTY INTELLECTUAL PROPERTY, (VI) THE PROCESSING OF UNAUTHORIZED TRANSACTIONS USING THE PLATFORM SERVICES, (VII) YOUR DISCLOSURE OF PERSONAL INFORMATION, DATA, OR OTHER CONSUMER INFORMATION RELATING TO GOODS OR SERVICES SOLD BY YOU, (VIII) ALLEGED OR ACTUAL VIOLATION OR NON-COMPLIANCE BY YOU OF ANY APPLICABLE LAWS, REGULATIONS OR RULES OF (A) THE CARD ASSOCIATIONS, INCLUDING NONCOMPLIANCE WITH PCI-DSS, (B) THE NATIONAL AUTOMATED CLEARING HOUSE ASSOCIATION ("NACHA"), (C) THE GRAMM-LEACH-BLILEY ACT, OR (D) ANY REGULATORY BODY OR AGENCY HAVING JURISDICTION OVER THE SUBJECT MATTER HEREOF, (IX) ANY DATA BRACH OR ANY UNAUTHORIZED ACCESS, USE, OR DISCLOSURE OF CONFIDENTIAL INFORMATION, PERSONAL INFORMATION, DATA, CARD INFORMATION, OR YOUR CREDENTIALS FROM SYSTEMS OR NETWORKS CONTROLLED BY YOU OR YOUR SERVICE PROVIDERS, OR (X) ANY ACTS BY YOU OUTSIDE THE SCOPE OF THIS AGREEMENT. THESE INDEMNIFICATION OBLIGATIONS SHALL SURVIVE THE TERMINATION OF THE APPLICABLE ORDER.

B. Company Indemnification. COMPANY SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS CLIENT, ITS AFFILIATES AND AGENTS, AND THEIR RESPECTIVE MEMBERS, DIRECTORS, OFFICERS, AND

EMPLOYEES, FROM AND AGAINST ALL CLAIMS TO THE EXTENT ARISING OUT OF, FROM, OR RELATED TO ANY USE OF THE PLATFORM OR PLATFORM SERVICES THAT INFRINGES UPON ANY PATENT, COPYRIGHT, OR TRADE SECRET OF A THIRD PARTY'S INTELLECTUAL PROPERTY (COLLECTIVELY, "IP CLAIMS"). HOWEVER, COMPANY SHALL HAVE NO LIABILITY OR OBLIGATION HEREUNDER WITH RESPECT TO ANY IP CLAIMS ARISING DIRECTLY OR INDIRECTLY FROM (I) THE USE OF THE PLATFORM OR PLATFORM SERVICES IN COMBINATION WITH PRODUCTS, SERVICES, SOFTWARE, DATA, OR SYSTEMS NOT PROVIDED BY COMPANY, (II) ANY MODIFICATION OR UNAUTHORIZED USE OF THE PLATFORM OR PLATFORM SERVICES OR ANY BREACH OF THIS AGREEMENT BY CLIENT, (III) INSTRUCTIONS OR DIRECTIONS PROVIDED BY OR ON BEHALF OF CLIENT, OR (IV) THE FAILURE TO USE UPDATES OR CORRECTIONS PROVIDED BY COMPANY. IN RESPONSE TO AN ACTUAL OR POTENTIAL IP CLAIM UNDER THIS SECTION, IF REQUIRED BY SETTLEMENT OR INJUNCTION OR AS COMPANY DETERMINES NECESSARY TO AVOID MATERIAL LIABILITY, COMPANY MAY AT ITS OPTION (I) PROCURE THE RIGHTS FOR CLIENT'S CONTINUED USE OF THE PLATFORM OR PLATFORM SERVICES, AS APPLICABLE, (II) REPLACE OR MODIFY THE ALLEGEDLY INFRINGING PORTION OF COMPANY'S PLATFORM OR PLATFORM SERVICES TO AVOID INFRINGEMENT WITHOUT REDUCING THE OVERALL FUNCTIONALITY OF THE PLATFORM OR PLATFORM SERVICES, OR (III) TERMINATE THE IMPACTED ORDER, OR PORTION THEREOF, AND REFUND TO CLIENT ANY PRE-PAID, UNUSED FEES FOR THE TERMINATED PORTION OF THE ORDER. THIS INDEMNITY WILL BE CLIENT'S ONLY REMEDY UNDER THIS AGREEMENT FOR ANY INFRINGEMENT, MISAPPROPRIATION, OR OTHER VIOLATION BY COMPANY OF A THIRD PARTY'S INTELLECTUAL PROPERTY OR OTHER RIGHTS.

C. Indemnification Procedures. THE INDEMNIFYING PARTY RESERVES THE RIGHT, AT ITS SOLE COST, TO ASSUME THE EXCLUSIVE DEFENSE AND CONTROL OF ANY MATTER OTHERWISE SUBJECT TO INDEMNIFICATION BY THE INDEMNIFIED PARTY, IN WHICH EVENT THE INDEMNIFIED PARTY WILL REASONABLY ASSIST AND COOPERATE WITH THE INDEMNIFYING PARTY IN ASSERTING ANY AVAILABLE DEFENSES. THE INDEMNIFIED PARTY AGREES NOT TO SETTLE ANY MATTER WITHOUT THE PRIOR WRITTEN CONSENT OF THE INDEMNIFYING PARTY. THE INDEMNIFIED PARTY MAY HAVE COUNSEL OF THEIR OWN CHOICE AT THEIR OWN COSTS.

9. INSURANCE.

A. Insurance Requirements. During the term of this Agreement, Company and Client shall each maintain at least the following insurance coverages with insurance carriers with an A.M. Best rating: (i) comprehensive / commercial general liability insurance (which shall provide for minimum limits of \$1,000,000 per occurrence); (ii) professional liability (also known as errors and omissions) insurance with combined single limits of not less than \$1,000,000; and (iii) cyber liability (also known as technology errors and omissions) insurance with minimum limits of \$1,000,000 per claim/aggregate. Upon request, each Party shall provide the other with evidence of such insurance coverage(s).

10. PROPRIETARY RIGHTS.

A. Intellectual Property. As used herein, "Intellectual Property" means all patents, designs, inventions, trademarks, service marks, trade names and trade dress, copyrights and copyrightable works (including software programs and related documentation), trade secrets, know-how, design rights, database rights, and all other intellectual property and proprietary information, and all modifications, compilations, and derivative works thereof.

B. Ownership. The Company is the sole and exclusive owner of all right, title and, interest, including Intellectual Property rights, in and to the Products, Platform, Platform Services, and all related documentation, source code, algorithms, tools, scripts, processes, techniques, methodologies, inventions, know-how, concepts, formatting, arrangements, visual attributes, and all derivatives, enhancements, modifications and improvements thereof. Client acknowledges that the Products, Platform and Platform Services and any related source code/algorithms constitute: (i) an original compilation protected by US copyright laws; and/or (ii) trade secrets of Company. Client acknowledges and agrees that the Products,

Platform and Platform Services are licensed to Client, and not sold. Company reserves all right, title, and interest, including all Intellectual Property rights, in and to the Products, Platform and Platform Services, subject only to the license rights expressly granted to Client pursuant to the terms of this Agreement. As between Company and Client, Client shall have the sole and exclusive right, title and interest in and to any Intellectual Property in the Client Website and Client owned marketing materials.

- C. Feedback. If Company receives any feedback (which may consist of questions, comments, suggestions or the like) regarding the Products, Platform or Platform Services (collectively, "Feedback"), all rights, including intellectual property rights in such Feedback shall belong exclusively to Company. Client hereby irrevocably and unconditionally transfers and assigns to Company all intellectual property rights it has in such Feedback and waives any and all moral rights that Client may have in respect thereto. It is further understood that use of Feedback, if any, may be made by Company at its sole discretion, and that Company in no way shall be obliged to make use of the Feedback.
- D. Exclusions. Each of the Company and Client acknowledge that the other owns and/or licenses or may hereinafter develop certain Intellectual Property used in the performance of this Agreement or applicable Addendum. Subject to the foregoing Feedback clause, each of the Company and Client specifically disclaim any ownership or other right with respect to the Intellectual Property owned and/or licensed and/or developed by the other Party, except as otherwise provided herein. Except as expressly provided herein, neither Party grants or transfers to the other, nor does the other Party obtain, any right, title, claim, license or other interest in or to any of the Intellectual Property (including information, consumer information database, systems, forms manuals or other proprietary information) utilized or provided by the other Party.
- E. Use of Name and Logo; Trademark. Neither Party shall use the other Party's names, trademarks or logos without the prior written permission of the other Party. Neither Party shall use, register or attempt to register any trademarks or marks or domain names that are confusingly similar to any of the other Party's trademarks, marks or domain names. Except as authorized in this Agreement, neither Party shall take any actions inconsistent with the other Party's ownership of its trademarks and any associated registrations or attack the validity of them. Neither Party shall use the other Party's trademarks in any manner that would indicate it is using such trademarks other than as a licensee, nor assist any third party to do any of the same.

11. AUDIT RIGHTS.

- A. Records. Each Party shall maintain complete and accurate books and records of its activities performed pursuant to this Agreement relating to (i) transactions that trigger a payment to Company or Client, and (ii) compliance with Applicable Laws governing (a) the use and retention of Data, and (b) lead generation and sales and marketing activities, as applicable.
- B. Audit. Each Party shall retain and make available such records in Section 11.A for at least three (3) years following the end of the calendar year to which they pertain, to the other Party, at such Party's expense and upon a mutually agreeable date and time not to exceed thirty (30) days after such request, for inspection during normal business hours at a mutually agreeable time, solely to verify any reports and payments made and/or compliance in other respects under this Agreement.

12. ELECTRONIC COMMUNICATIONS.

- A. Communication Requirements. By using the Platform, Client agrees to receive certain communications from Company electronically in connection with the Platform. Such communications include by way of email, text message, posting notices, delivering notifications through Company's mobile applications or through other electronic means. Client agrees that all agreements, notices, disclosures and other communications that Company provides to you electronically satisfy any legal requirement that such communications be in writing.

13. MODIFICATIONS.

A. Agreement Modifications. From time to time, Company may modify the terms of this Agreement, including the Addendums incorporated herein. Company will notify Client of the modifications thirty (30) days prior to the effective date by providing a summary of the applicable changes and a URL link to the full terms, including the applicable effective date, via Client's account or email, as indicated by Client in the applicable Order. If a Client objects to the modifications in writing, unless otherwise agreed upon by the Parties in a dually executed Order or applicable amendment, its exclusive remedy is to cease any and all access and use of the Platform and terminate this Agreement with a written Termination Notice, subject to the Termination Section 4.C. provisions provided herein, which shall not be deemed a breach provided that Client shall be entitled to a reasonable wind-down period if allowable without undue or unreasonable harm to Company or the Platform. Client may be required to click to accept or otherwise agree to the modified terms in order to continue accessing or using the Platform.

14. MISCELLANEOUS.

- A. Authority. With respect to any individual consenting to this Agreement on behalf of its employer or another entity, that individual represents and warrants that: (i) it has full legal authority to bind its employer or such entity to this Agreement; (ii) it has read and understood this Agreement; and (iii) it agrees to this Agreement on behalf of the Party that it represents. In the event that an individual registers or signs up for the Platform using an email address from its employer or another entity, then that individual will be deemed to represent such Party and will bind its employer or that entity to this Agreement. If an individual does not have the legal authority to bind its employer or the applicable entity, that individual should not access or use the Platform, execute an Order and should not click or check "I agree" (or similar acceptance language).
- B. Entire Agreement. This Agreement together with all of Company's policies referenced in this Agreement sets forth the entire understanding and agreement of the Parties, and supersedes any and all prior or contemporaneous oral or written agreements or understandings between the Parties, as to the subject matter of this Agreement. You acknowledge that this Agreement reflects an informed, voluntary allocation between Company and Client of all risks (both known and unknown) associated with Platform Services.
- C. Assignment. Neither Party may assign its rights or obligations under this Agreement without the written consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed. However, Company shall be able to assign this Agreement to an Affiliate or in the event of a merger, acquisition or change of control, without having to obtain the consent of Client. Any attempted assignment that is prohibited under this section shall be null and void. This Agreement will bind and inure to the benefit of each Party's successors and permitted assigns.
- D. Survival. The rights and obligations of the Parties set forth in Section 1.H. ADDITIONAL TERMS AND CONDITIONS; PAYMENT PROCESSING, Section 5 REPRESENTATIONS AND WARRANTIES (as applicable), Section 6 CONFIDENTIALITY; NON-DISCLOSURE, Section 7 DISCLAIMERS AND OTHER LIMITATION, Section 8 INDEMNIFICATION, Section 10 PROPRIETARY RIGHTS, Section 11 AUDIT RIGHTS, and Section 14.J GOVERNING LAW AND ARBITRATION, and any right or obligation of the Parties which by its express terms or nature and context is intended to survive termination or expiration of this Agreement or any Order, shall survive such termination or expiration.
- E. Equitable Remedies. Breaches of a Party's obligations related to the protection of confidential information, protection of intellectual property rights (including violations of Section 1.C), or compliance with Applicable Laws may cause such other Party to incur irreparable harm and significant injury that would be difficult to ascertain and would not be compensable by damages alone. Accordingly, each Party acknowledges and agrees that, in addition to any and all remedies that the non-breaching Party may have at law or otherwise with respect to such a breach, the non-breaching Party will be entitled to seek injunction or other appropriate equitable relief without posting bond and without being obligated to prove actual damage or harm.

- F. Relationship. The Company and Client are independent contractors with respect to one another under this Agreement. This Agreement shall not be deemed to establish any agency, joint venture or partnership relationship. Each Party shall be responsible for the payment of all employee compensation, benefits and employment and other taxes pertaining to its employees and business. Neither Party shall have the authority, nor make any representation to suggest such authority, to legally bind the other to any contract, proposal or other commitment or to incur any debt or create any liability on behalf of the other.
- G. Waiver. The failure of any Party to insist on or enforce strict performance of any provision of this Agreement or to exercise any right or remedy under this Agreement or applicable law will not be construed as a waiver or relinquishment to any extent of the right to assert or rely upon any such provision, right or remedy in that or any other instance; rather, the same will be and remain in full force and effect. Waiver by either Party of a breach of any provision contained in this Agreement must be in writing, and no such waiver will be construed as a waiver of any other and/or succeeding breach of such provision or a waiver of the provision itself.
- H. Severability. In the event that any provision of this Agreement is held to be invalid, illegal or unenforceable under present or future laws, then such provision will be fully severable and this Agreement will be construed and enforced as if such invalid, illegal or unenforceable provision were not a part hereof. The Parties agree to replace any invalid provision with a valid provision, which most closely approximates the intent and economic effect of the invalid provision.
- I. Headings. The headings of sections herein are for convenience only and will not be deemed to affect in any way the scope, intent or meaning of the provisions to which they refer.
- J. Governing Law and Arbitration. This Agreement shall be governed and construed in accordance with the laws of the State of New York, without resort to the conflict of law principles thereof. Except as it relates to Company's efforts to collect unpaid Fees from Client, any controversy, claim or dispute between the Parties arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation, conscionability or validity thereof, including any determination of the scope or applicability of this Agreement to arbitrate, such controversy, claim or dispute shall be resolved by mandatory, binding arbitration, rather than in court. The Parties agree that the arbitration shall be administered by the American Arbitration Association (AAA), or other nationally recognized arbitrator as agreed upon by the Parties and the Parties shall be bound by any and all rules of AAA or other mutually accepted rules and any award/decision rendered. Notwithstanding anything to the contrary in the AAA rules, the arbitrator will be empowered to order interim or permanent injunctive relief, which may be enforced in any court of competent jurisdiction. Any decision or award as a result of any such arbitration proceeding shall be in writing and shall provide an explanation for all decisions. Any such arbitration shall include a written record of the arbitration hearing and shall be conducted by an arbitrator as agreed upon by the Parties, or if no agreement can be made, then an arbitrator shall be selected by AAA experienced in complex business transactions. The award rendered by the arbitrator shall be final and shall not be subject to vacation or modification. Judgment on the award made by the arbitrator may be entered in any court having jurisdiction over the Parties. If either Party fails to comply with the arbitrator's award, the injured Party may petition the circuit court for enforcement. The Parties agree that either Party may bring claims against the other only in his/her or its individual capacity and not as a plaintiff or class member in any purported class or representative proceeding. Further, the Parties agree that the arbitrator may not consolidate proceedings of more than one person's claims and may not otherwise preside over any form of representative or class proceeding. The Parties shall share the cost (not any attorneys' fees) of arbitration equally. In the event a Party fails to proceed with arbitration as required herein, unsuccessfully challenges the arbitrator's award, or fails to comply with the arbitrator's award, the other Party is entitled to costs of suit, including a reasonable attorney's fee for having to compel arbitration or defend or enforce the award. Binding Arbitration means that both Parties give up the right to a trial by a jury or to use the court system except to enforce this section. It also means that both Parties give up the right to appeal from the arbitrator's ruling except for a narrow range of issues that can or may be appealed. It also means that discovery may be severely limited by the arbitrator. This section and the arbitration requirement shall survive any termination.

- K. Non-Exclusive Remedy. Except as expressly set forth in this Agreement, the exercise by either Party of any of its remedies under this Agreement will be without prejudice to its other remedies under this Agreement or otherwise.
- L. Force Majeure. Neither Party will be responsible for any failure or delay in its performance or service under this Agreement (except for any payment obligations for services already rendered) due to causes beyond its reasonable control, which may include, by way of illustration but not limitation, network failures, malicious cyberattacks, acts of civil or military authorities, pandemics, epidemics, fires, interruptions in third party telecommunications, Internet equipment, servers or other third party services (e.g., cloud hosting providers), labor disputes, strikes, lockouts, shortages of or inability to obtain labor, energy, raw materials or supplies, war, terrorism, riot, acts of God or governmental action (each a "Force Majeure Event"). Notwithstanding the foregoing, each Party affected by a Force Majeure Event shall use its commercially reasonable efforts to perform during the period of such event or circumstance, and in any event shall promptly perform upon the cessation of such event or circumstance. Promptly upon becoming aware of a Force Majeure Event causing a delay in performance or preventing performance of any obligations imposed by this Agreement (and the termination of such delay), the Party being delayed or prevented from performing shall give written notice to the other Party giving the details of the event, including particulars of the actual event, and if applicable, estimated continuing effects of such Force Majeure Event on the obligations of the Party. If such an event of force majeure continues for thirty (30) days, then either Party may terminate this Agreement with no penalties or damages, except for Client's obligation to pay any undisputed amounts owed.
- M. Conflict. To the extent there is any inconsistency or conflict between this Agreement (including any attached exhibits or addendums) and an Order (including any applicable exhibit or attachment), this Agreement shall control strictly as it relates to Client's use of the Platform Services.
- N. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. A facsimile or electronic delivery of the signature page hereto shall be deemed an original for all purposes hereof.
- O. Notices. Any notice, request, designation or other communication required or permitted to be given hereunder shall be in writing and may be given by personal delivery regular mail, overnight mail, facsimile or email, and shall be deemed sufficiently given if delivered or addressed to Parties at the respective addresses set forth below, or to such other addresses as may be designated by a Party in writing. All notices shall be deemed received when (i) delivered personally; (ii) three (3) business days following deposit in the mail, postage prepaid; (iii) one (1) day after deposit with a commercial express courier specifying next day delivery, with written verification of receipt, or (iv) in the case of email delivery, upon the sender receiving electronic email receipt notification from recipient.
